CEF SCHOLARSHIP INFORMATION 2006 CEF NATIONAL CONFERENCE

It is important that you understand:

- 1. Scholarships are available to racial/ethnic and persons in small churches who are involved in Christian education on either a volunteer or employed basis. Preference will be given to those who have not previously attended CEF National Conferences but all racial/ethnic persons may apply.**
- 2. The scholarship covers only the conference registration. Transportation, housing, and most meals are *not* covered and will be substantial. You are encouraged to begin now exploring additional sources of assistance with these costs. Possibilities might be local CEF Chapters, your Conference Board of Ordained Ministry or Education, and groups in your Conference who deal with racial/ethnic concerns. The best source might be people who know you and your ministry-- members of churches to which you relate or board members of agencies you serve. Your District Superintendent or others in your local area may know of persons who would like to assist those in ministry who are seeking to improve their skills.**
- 3. The deadline for all your material to be submitted is important. We will be unable to consider applications not completed by that date.**
- 4. In addition to the completed form, you need to mail in time to arrive by July 1, 2006, the Letter of Recommendation and your Essay as described on the form.**
